

FORM FOR ELECTRICITY CONNECTION

To,

Sir,

I/we expect this from you that you will give us connection according to Indian Electricity Act 1910 ruleVI, I/we are living in the below mentioned area whose I/we am/are the owner, Please give us connection within a month or according to the date given by Director of Electric Safety.

I/we also expect that you will give us a meter on rent according to Indian Electricity Act1956's rule 26.

I/we am/are ready to deposit the required money.

Details Of The Applicant

- 1. Name of Applicant : _____
- 2. Father/Husband Name : _____
- 3. Occupation/Post : _____

(recent passport size
photograph)

(Attach company's incorporation certificate & power of Attorney in case you are raking connection in name of company)

4. Address: _____

House No.: _____

Area : _____

5. Is applicant owner of the building or living on rent: Owner / Rent

Building Details

1. Name of the building owner : _____

Permanent Address : _____

2. Type of building: living/non living

3. Building is in multistory area: yes/no

4. Building is a part of developed area: yes/no

5. Name of developer of the building: _____

(In case of building is in developed area / multi storey building area attach issue certificate of developer & N.O.C both attested)

6. Details of any existing Electric connection:

Eelectric connection no.: _____

7. Details of any ex electric connection:

Electric connection No.: _____

Book No: _____

Date of Disconnection: _____

8. Distance of Electric pillar from the building: _____

9. Is there any house/plot between the electric pillar & your building: yes / no

(If yes then submit a certificate of no objection from him / her)

Applied Electric wire details

1. Reason Of Electricity : (a) for home use

(b) Other than home use

2. Details Of Electricity Application : (a) present accepted load

(b) Applied extra load

	Number of Electric Points	Load(watts)	Total Load(watts)
Light			
Fan			
Plug			
Other Details			

Details Of Wiring Contractor

Name & Full address: _____

License No.: _____

Date

Signature of Applicant

Declaration

I/we declare that all the wiring work in building is complete & above all details are true as per my knowledge, if this turn out to be false then State electricity Board has got the full right not to issue electric connection to me/us & if a connection is issued on above false details then it has the right to disconnect it.

Date

Signature of Applicant

VIDHUT SURAKSHA NIDESHALAY

Karyapurak Certificate

(To be filled by state govt. licensed broker)

CONSUMER NAME: _____

FATHER / HUSBAND'S NAME: _____

ADDRESS: _____

CONDITION OF LOCATION: _____

VOLTAGE SCHEME:

(1) VOLTAGE: _____

(2) NUMBER OF PHASES: _____

(3) AC / DC: _____

WAY OF WIRING: _____

TYPE OF WIRING: _____

220 / 230 VOLTS			HIGH / VERY HIGH VOLTAGE ESTABLISHMENT			
PHASE I	PHASE II	PHASE III	400 / 440 VOLTS			

NO.	TOTAL NO.	WATTS NO.	WATTS NO.	CAPACITY	NUMBER	CAPACITY
-----	-----------	-----------	-----------	----------	--------	----------

(1) POINTS OF LIGHT: _____

(2) POINTS OF FAN: _____

(3) PLUG POINTS: _____

(4) MOTORS / GENERATORS:

(Full description required)

II OTHER ELECTRIC GOODS

(Full description required)

(1) _____

(2) _____

TOTAL LOAD IN KILOWATTS : _____

MAXIMUM CURRENT DEMAND (in Amperes) : _____

(On basis of total load)

LEAKAGE OF CURRENT (anti electric resistors must be atleast 1 Mega ohm or as according to Bhartiya Manak Sansthan)

RESULTS OF ANTI ELECTRIC RESISTORS AS GIVEN BY CONTRACTOR

PHASE I & EARTH

PHASE II & EARTH

PHASE III & EARTH

(1) BETWEEN PHASE & EARTH

(2) BETWEEN NEUTRAL & EARTH

PHASE I & II

PHASE II & III

PHASE III & I

3) BETWEEN WIRES

RULE 29 :----

(i) tell about wiring work, used things, instuments are
acoording to Bhartiya Manak Sansthan.

(ii) tell that each circuit is controlled by different switches.

(iii) tell that all switches are working on live conductors

RULE 32 :----

VERIFICATION CERTIFICATE

I/we _____ license holder electric contractor, license no. _____

Verify the Following:

(a) I do all electric work before

(b) Mentioned connection's antielectric resistance checking is done by me or by my supervisor & their results are mentioned d by me or my supervisor

(c) Connection is given under Electricity Rule 1956 & is according to Bhartiya Manak Sansthan

(d) Above work is done by me / our staff

Name of wiremen

Permit no.

validity date

Signature

Supervisor name

certificate no.

validity date

Signature

Apprentice Name & signature

Date:

Electricity contractor's Firm Name

License no.: _____

License Category: _____

Validity Date: _____

Contractor's Signature:

DECLARATION

(to be given by customer)

I certify that I have taken care of all the rules / regulations/ compulsory things as mentioned by State Electricity Board & Indian Electricity Rule 1956. Main fuse's maximum capacity Ampere is not more & any over loading or any increasement in connection will be done by taking permission of State Electricity Board's Licensee.

Date: _____

Customer's Name: _____

Signature: _____

TEST REPORT

(to be filled by supplier representative)

Anti electric Resistor's Result---

Phase I & Earth

Phase II & Earth

Phase III & Earth

(i) Between phase & earth--

Phase I & II

Phase II & III

Phase III & I

(ii) Between Wires-

Errors found (if any) in the electric connection & steps to remove them: ---

1. ---

2. ---

3. ---

4. ---
